## **Fresno County Republican Party Supports the Recall of Kingsburg City Councilwoman Hurtado**

**FRESNO, CA** – Today, the Executive Board of Fresno County Republican Party announced that it will support the Recall of Kingsburg City Councilwoman Jewel Hurtado. Councilwoman Hurtado supported draconian lockdowns in 2020, divides her community by promoting non traditional values and continues attempts to force a socialist agenda upon the City of Kingsburg. FCRP stands with Kingsburg citizens in the recall effort.
